

EMS Workforce Education Funding Process & Application Packet

The 87th Texas Legislature, through Senate Bill 8, provided DSHS with \$21.7M funding for the recruitment of EMS personnel. DSHS has in turn provided STRAC with approximately \$2.0M to assist with the education and recruitment of EMS personnel through training and outreach. In accordance with Senate Bill 8, 65% of the funding is reserved for rural counties, defined as counties with a population under 50,000.

Applications will be processed on a first come, first served basis. Individuals desiring a scholarship for EMS Education must be sponsored by an EMS Transport Provider operating within the STRAC region. All recipients of EMS Workforce dollars will be required to work at least 96 hours per month on an ambulance for either 1 year (EMT Certification) or 2 years (AEMT or Paramedic Certification). Recipients that do not successfully complete their education or fulfill their post-certification work requirements will be required to repay their scholarship funds.

If you are an EMS Transport Provider, please complete this packet for potential recipients you want to sponsor and email it to EMSWorkforce@strac.org.

If you would like more information on how to become sponsored by an EMS transport provider or to locate an agency that could sponsor you, email EMSWorkforce@strac.org and we will help you.

STRAC will make scholarship payments to the EMS Sponsoring Agency prior to the student starting the course. The scholarship is to cover education, books, necessary materials, and the student's cost for one National Registry examination process at the following maximum amounts. Amount paid will be the lesser of actual costs or these amounts per course:
