

Job Title: Emergency Medical Task Force Coordinator (EMTF 8)
Division: Emergency Preparedness and Response
Reports To: Division Director, Emergency Preparedness and Response
Salary Range: \$60,000 – \$80,000
Prepared By: Chief of Staff
Last Modified: 2019-09-06

Job Summary

The EMTF 8 region is comprised of partners from Southwest Texas Regional Advisory Council (Trauma Service Area P) and the Golden Crescent Regional Advisory Council (Trauma Service Area S). Serving as the Lead RAC for administrative, operational and programmatic management for EMTF 8, STRAC facilitates the regional implementation of the Emergency Medical Task Force (EMTF) concept, functionality, and standardization of EMTF initiatives. The Coordinator will liaison with stakeholders and the Statewide Project Manager to support program implementation, drafting and executing MOU/MOAs, ordering and stocking of equipment and coordination of exercises and training. The EMTF Coordinator serves to assist city and/or county Offices of Emergency Management, local EMS, Fire Departments, First Responder Agencies, DSHS Regional staff, and other partner agencies to provide guidance during planning, coordination, implementation and response when involving EMTF assets.

The Regional EMTF Coordinator is part of a larger statewide initiative, and as such, is expected to work with other EMTF regions and the Statewide Program Manager to represent STRAC and partner agencies within EMTF 8 in consensus discussions and policy development pertaining to the program. As such, this position includes travel to statewide meetings, travel to meet with partner agencies for discussions regarding MOU/MOAs, project implementation and training.
