

# Disaster Patient Management (DPM) Updating Activation Status (Facilities and Transports)

For Facilities and Transports to be available options in dropdowns for assignment they need to be ‘activated’.

From the dropdown titled ‘DPM Display Options’ on the DPM homepage select ‘Facility List’ or ‘Transport List’.

**DPM Display Options ▾**

- MOC Pick List
- Transfer List
- Transfer Dashboard
- All Patient List
- Facility List
- Transport List
- DPM Statistics
- Prospective Patients
- FAQ
- Print PDF

Utilize the Search function to find the Facility/Transport Agency you need to activate and click on the red ‘Not Activated’. The screen will blink and change the status to a green ‘Activated’.

### DPM - Medical Facilities

Activated Only

Regional Facility Quick-List
