

Regional Performance Improvement Case Review Request

Instructions: You may submit any concern you deem as a regional/system performance improvement issue needing review. The PI Committee, however, may decide the issue is not appropriate for system discussion and recommend it be managed internally at your facility or agency. You will be notified when your case is up for review. If you have any questions, please email PI@strac.org.

1. Please fill out the attached Regional Performance Improvement Case Review Request Form.
2. Email an encrypted form to PI@strac.org. If you do not have the ability to encrypt the message, FAX with a cover sheet to (210) 233-5822.
3. Please include your contact information to ensure we can reach you for any questions about the submission.

What happens to my submission?

1. Once your request has been received, you will receive confirmation within one business day from the STRAC PI Committee Project Coordinator or their representative that your submission is being processed.
2. Your request will be forwarded to the appropriate Committee Chair (Behavioral Health, Cardiac, Stroke, or Trauma as applicable), Co-Chair, and the STRAC Executive Director for review.
3. The Committee Chair (Behavioral Health, ED-Ops, Cardiac, Stroke, or Trauma as applicable), Co-Chair, and STRAC Executive Director will make the determination if the case warrants presentation at PI (Behavioral Health, ED-Ops, Cardiac, Stroke, or Trauma as applicable) Committee.
4. All parties involved will be notified.
5. If the case will be reviewed at the respective PI Committee, STRAC will compile any associated documents and/or recordings necessary to provide to the respective PI Committee.
6. All parties will be notified when the case is up for review and invited to the meeting.
7. A report of the discussion and results/outcomes of the review will be provided to the committee membership.
